Mobile Training Teams (MTT's)

Asymmetric Solutions is very aware of the difficulty in scheduling and deconflicting training for a team. In an effort to simplify logistics associated with training requirements, we maintain the ability to dispatch MTT's in support of nearly every certified course offered by our team

3 Self-Sufficient Facilities Nationwide

More than 3500 acres of privately owned training ground with on-site billeting, catering, DOD/ATF approved weapons, ammunition and explosive storage

OUR STAFF / OUR MISSION

Our Staff

Asymmetric Solutions is comprised of combat decorated, reputable members of various Special Operations units, elite government agencies, and seasoned Special Operations Law Enforcement officers who have performed countless operations nationally and internationally around the globe. These units include the Army Green Berets, DELTA Force, DEVGRU, MARSOC Raiders, Force Recon, Navy SEALs, CIA, FBI, DEA, DOS, Secret Service, and SWAT. Collectively, this staff has executed hundreds of combat deployments around the globe and supported countless stateside operations in support of Law Enforcement and Government Agencies nationwide. The knowledge obtained by our staff through their individual real-world experiences is unmatched and cannot be duplicated.

Our Mission

To provide experienced, customer focused operational services that directly contribute to increasing the survivability of those that put themselves in harm's way on behalf of others

Our Team Member Mission

To be a loyal, trustworthy, supportive, and committed teammate that regardless of encountered adversity and required self-sacrifice, will always maintain an above average contribution to those beside me and the pursuit of our mission's success

Our Values

Integrity, Commitment to Team and Customer, Work Ethic, Discipline, Accountability, Quality, Humility, Persistence, Passion, Constant Betterment

Our Purpose

To contribute in any and all ways possible to the continued triumph of good over evil

Asymmetric Solutions is teamed with industry leading experts in R&D and implementation of the latest technologies and equipment supporting LE and Military efforts
